

We at FUJIFILM Business Innovation Australia would like to take this opportunity to thank you for your continued support and business.

As a valued paper and supplies customer, our priority is ensuring we provide you with the highest quality paper and supplies at the most competitive prices. Despite our efforts, the cost of production has been increasing over the past few years.

After careful consideration, we have decided to implement price increases on our paper and supplies effective Monday 20th February 2023. The new prices will reflect the current market conditions and will allow us to continue to provide our customers with the same high-quality products and services.

We understand that any price increase can be difficult, and we would like to assure you that we have made this decision with great care and consideration. We are confident that our new prices will still be competitive.

If you have any questions or concerns, please do not hesitate to contact us via email shm-fbau-SuppliesOrders@fujifilm.com.

Thank you for your understanding and continued support.
